RE: Application of Cumberland Cellular Partnership for Issuance of a Certificate of Public Convenience and Necessity to Construct a Cell Site (Frazer) in Rural Service Area #5 (Wayne) of the Commonwealth of Kentucky - Case No. 2005-00445

Dear Ms. O'Donnell:

We are legal counsel to Cumberland Cellular Partnership ("Cumberland Cellular").

(1)

In that capacity, we are informing the Public Service Commission of the Commonwealth of Kentucky (the "Commission"), as required by the order in this matter entered on August 16, 2006, that we intend to appear on behalf of Cumberland Cellular at the informal conference scheduled for August 29, 2006, in person.

(2)

In addition, we believe there is an error with respect to the Commission's order entered on June 27, 2006 in this matter. The order grants full intervention to both Ms. Sandra C. Duncan and Ms. Misha Williams Gover, which is mistakenly spelled "Grover," each of whom are identified in Appendix A of the order as full intervenors. (Ms. Duncan and Ms. Gover are sisters and are the owners of record of the real property which Cumberland Cellular is leasing as the location for the cellular tower which is the subject of this matter.)

Neither Ms. Duncan nor Ms. Gover have requested full or limited intervention in this matter, and, according to our telephone conversation with Ms. Gover today, neither wish to participate, in person or by telephone in the August 29, 2006 informal conference, nor any future proceedings in this matter.

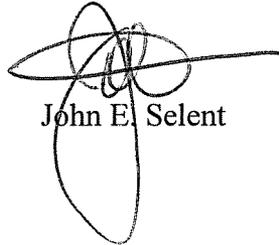

Therefore, because Ms. Gover and Ms. Duncan did not request intervention in this matter, we would ask the Commission to clarify that Ms. Sandra C. Duncan and Ms. Misha Williams Gover are not full or limited intervenors as erroneously reflected at Appendix A of the ordered entered on June 27, 2006 in this matter .

If you have any questions with respect to this matter, please call me.

Thank you.

Very truly yours,

DINSMORE & SHOHL LLP
